

Fun With Math

Complete by finding the value of each symbol

$$\begin{array}{l} \text{Lemon slice} \times 4 = \text{Apple} \\ \text{Lemon slice} \times 5 = 10 \\ \text{Apple} \times \text{Lemon slice} = ? \end{array}$$

$$\text{Lemon slice} = \underline{\quad}$$

$$\text{Apple} = \underline{\quad}$$

$$\begin{array}{l} \text{Orange slice} \times 2 = \text{Banana} \\ \text{Orange slice} \times 9 = 0 \\ \text{Banana} \times \text{Orange slice} = ? \end{array}$$

$$\text{Orange slice} = \underline{\quad}$$

$$\text{Banana} = \underline{\quad}$$

Answer Key

Complete by finding the value of each symbol

	x	4	=	
2				8
	x	5	=	10
2				
	x		=	16
8		2		

 = 2

 = 8

	x	2	=	
0				0
	x	9	=	0
0				
	x		=	0
0		0		

 = 0

 = 0
