

Fun With Math

Complete by finding the value of each symbol

$$\text{Owl} \times \text{Owl} = 9$$

$$\text{Owl} \times \text{Smiley} = 15$$

$$\text{Smiley} \times \text{Smiley} = ?$$

$$\text{Owl} = \underline{\quad}$$

$$\text{Smiley} = \underline{\quad}$$

$$\text{Backpack} \times \text{Backpack} = 25$$

$$\text{Backpack} \times \text{Flag} = 35$$

$$\text{Flag} \times \text{Flag} = ?$$

$$\text{Backpack} = \underline{\quad}$$

$$\text{Flag} = \underline{\quad}$$

Answer Key

Complete by finding the value of each symbol

$$\begin{array}{ccc} \text{Owl} \times \text{Owl} & = & 9 \\ \text{Owl} \times \text{Smiley} & = & 15 \\ \text{Smiley} \times \text{Smiley} & = & 25 \end{array}$$

$$\text{Owl} = 3$$

$$\text{Smiley} = 5$$

$$\begin{array}{ccc} \text{Backpack} \times \text{Backpack} & = & 25 \\ \text{Backpack} \times \text{Flag} & = & 35 \\ \text{Flag} \times \text{Flag} & = & 49 \end{array}$$

$$\text{Backpack} = 5$$

$$\text{Flag} = 7$$
