

Fun With Math

Complete by finding the value of each symbol

$$\text{Motorcycle} + \text{Truck} = ? \quad \square \quad \square$$

$$\text{Car} + \text{Motorcycle} = \text{Train} \quad \square \quad \square$$

$$\text{Train} - 3 = \text{Car} + \text{Truck}$$

$$\text{Train} - 10 = 10 \quad \square \quad \square$$

$$\text{Car} - 3 = 10 \quad \square \quad \square$$

$$\text{Motorcycle} = \underline{\hspace{2cm}}$$

$$\text{Train} = \underline{\hspace{2cm}}$$

$$\text{Car} = \underline{\hspace{2cm}}$$

$$\text{Truck} = \underline{\hspace{2cm}}$$

Answer Key

Complete by finding the value of each symbol

$$\begin{array}{|c|c|c|c|c|c|} \hline \text{7} & + & \text{4} & = & 11 & \\ \hline \text{Motorcycle} & & \text{Truck} & & & \\ \hline \end{array}$$

$$\begin{array}{|c|c|c|c|c|c|} \hline \text{13} & + & \text{7} & = & \text{20} & \\ \hline \text{Car} & & \text{Motorcycle} & & \text{Bus} & \\ \hline \end{array}$$

$$\begin{array}{|c|c|c|c|c|c|c|c|} \hline \text{20} & - & 3 & = & \text{13} & + & \text{4} & \\ \hline \text{Bus} & & & & \text{Car} & & \text{Truck} & \\ \hline \end{array}$$

$$\begin{array}{|c|c|c|c|c|c|} \hline \text{20} & - & 10 & = & 10 & \\ \hline \text{Bus} & & & & & \\ \hline \end{array}$$

$$\begin{array}{|c|c|c|c|c|c|} \hline \text{13} & - & 3 & = & 10 & \\ \hline \text{Car} & & & & & \\ \hline \end{array}$$

Motorcycle = 7

Bus = 20

Car = 13

Truck = 4
