

Fun With Math

Complete by finding the value of each symbol

$$\text{Cup} \times \text{Cookie} = 36$$

$$\text{Cup} \times \text{Cup} = 144$$

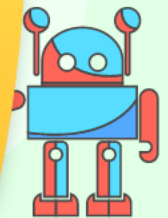

$$42 \div \text{Blender} = \text{Cookie}$$

$$\text{Blender} \times \text{Cookie} = ?$$

$$\text{Cup} = \underline{\quad}$$

$$\text{Cookie} = \underline{\quad}$$

$$\text{Blender} = \underline{\quad}$$

$$\text{Bone} \div \text{Watch} = \text{Flower}$$

$$\text{Bone} + \text{Bone} = 80$$

$$\text{Bone} - \text{Watch} = 30$$

$$\text{Flower} \times \text{Watch} = ?$$

$$\text{Flower} = \underline{\quad}$$

$$\text{Watch} = \underline{\quad}$$

$$\text{Bone} = \underline{\quad}$$

Answer Key

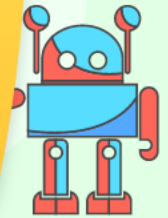

Complete by finding the value of each symbol

$$\begin{array}{l} \text{Cup} \times \text{Cookie} = 36 \\ \text{Cup} \times \text{Cup} = 144 \\ 42 \div \text{Blender} = \text{Cookie} \\ \text{Blender} \times \text{Cookie} = 42 \end{array}$$

$$\text{Cup} = 12$$

$$\text{Cookie} = 3$$

$$\text{Blender} = 14$$

$$\begin{array}{l} \text{Screwdriver} \div \text{Watch} = \text{Flower} \\ \text{Screwdriver} + \text{Screwdriver} = 80 \\ \text{Screwdriver} - \text{Watch} = 30 \\ \text{Flower} \times \text{Watch} = 40 \end{array}$$

$$\text{Flower} = 4$$

$$\text{Watch} = 10$$

$$\text{Screwdriver} = 40$$
