# Answer Key

Complete by finding the value of each symbol

$$8 \times \text{key} = \text{watch} \quad \text{key} = 9 \quad \text{watch} = 72$$

$$\text{blender} + \text{phone} + \text{phone} = 24 \quad \text{blender} = 12 \quad \text{phone} = 6$$

$$\text{watch} - 70 = 2 \quad \text{watch} = 72$$

$$\text{key} \times 10 = \text{mouse} + 30 \quad \text{key} = 9 \quad \text{mouse} = 60$$

$$\text{mouse} \div 5 = \text{blender} \quad \text{mouse} = 60 \quad \text{blender} = 12$$

$$\text{mouse} \times \text{blender} = \text{watch} \times 10 \quad \text{mouse} = 60 \quad \text{blender} = 12 \quad \text{watch} = 72$$

$$\text{key} = \underline{9}$$

$$\text{watch} = \underline{72}$$

$$\text{phone} = \underline{6}$$

$$\text{mouse} = \underline{60}$$

$$\text{blender} = \underline{12}$$
